

JAI PRAKASH SAINI

📧@jaiprakash-ai ✉️jaiprakash1108aug@gmail.com | (+91) 9680314480 /Jai Prakash Saini

Professional Summary :

Aspiring Cybersecurity Professional with a solid foundation in networking, Linux, ethical hacking, and programming (C, C++, Python). Built tools like ShadowRipper for reconnaissance. Actively pursuing Certified Ethical Hacking and passionate about applying AI knowledge to solve modern security challenges.

Technical Skills :

- Ethical Hacking • Bug Bounty • Web and Network Penetration Testing • Security Tools Knowledge
- Linux Administration • Security Tools (BurpSuite, Acunetix, Nessus, NetSparker, OWASP ZAP) • OSINT
- Social Engineering. • Programming Languages: C, C++, Python.

Internship:

CYBER SECURITY INTERN

SKILL HORIZON NEXTGEN PVT. LTD.

Gained hands-on experience in ethical hacking, network security, and vulnerability assessment techniques. Worked on real-time threat analysis, port scanning, and reconnaissance using tools like Nmap and Wireshark. Completed live projects focusing on penetration testing, web application security, and Linux-based security hardening.

Projects :

ShadowRipper (Github :-<https://github.com/jaiprakash-ai/ShadowRipper>)

Developed a Python-based tool for scanning open ports, identifying services, and gathering IP/domain information. Implemented features like WHOIS lookup, SSL port detection, and colored terminal output using Colorama. Inspired by Nmap functionalities; supports banner grabbing and optional version detection.

Education:

B.Tech (CSE(AI)) Anand International College of Engineering, Jaipur

(2023 - 2027)

Certifications :

- | | |
|---|-----------------------------|
| • Networking Fundamentals – IIHT , Jaipur | (Sep. 2024 - Nov. 2024) |
| • Linux System Essentials – IIHT , Jaipur | (Nov. 2024 – Jan. 2025) |
| • Python Programming – GUVI, an IIT Madras Initiative | (Nov. 2023) |
| • C and C++ Programming – Samyak Computer Classes | (05 July 2023 -25 Sep.2023) |
| • Certified Ethical Hacking – Skill Horizon | (In Progress , Feb. 2025) |
| • Wi-Fi Hacking and Security – Udemy | (Nov. 2024) |
